

**Declaration of Performance no. 101/N/20**

1. Unique identification code of product type: **Altus system transom**
2. Intended use: **Altus transom to be used in construction facilities**
3. Manufacturer: **GERDA Sp. z o.o. Sokołów ul. Sokołowska 49**
4. Authorized representative: **not applicable**
5. AVCP system(s): **System 3**
- 6.a. Harmonized standard: **PN-EN 14351-1+A2:2016-10**
Notified body: **JN-1827, Laboratorium Techniki Budowlanych Sp. z o.o.**
- 6.b. European Assessment Document: **not applicable**
7. Declared performance:

Essential characteristics of construction product for intended use	Declared performance	Notes / Reference document
Burglar resistance	EN 1627 RC 2	PN-EN 1627:2012
Air permeability	Class 4	PN-EN 1026:2016-04
Waterproof quality	Class 8A	PN-EN 1027 :2016-04
Heat transfer coefficient U_w [W/m ² K] *	0.88	PN-EN ISO 10077-1:2017-10 PN-EN ISO 10077-2:2017-10

* The U_w value given in the table refers to 2,400 mm high x 700 mm wide transoms

8. Respective or specific technical documentation: **not applicable**

Performance of the aforesaid product is compliant with the set of declared performance. Responsibility for issuance of this declaration of performance in compliance with the Regulation (EU) no. 305/2011 is to be borne by the manufacturer specified above.
