

NATIONAL CERTIFICATE
OF CONSTANCY OF PERFORMANCE CHARACTERISTICS
No. P41-UWB-002/2026
ENGLISH EDITION

According to the Ordinance of the Minister of Infrastructure and Construction of 17 November 2016 on the manner of declaring the performance of construction products and the way of marking them with a building sign (Journal of Laws, 1966), this certificate refers to a construction product:

Profile cylinder GERDA Pro System X+
covered by Polish Standard of Product No.:
PN-EN 1303:2015-07
having the following performance characteristics:

Category of use	No of test cycles/ durability	Door mass	Fire resistance	Safety in use	Corrosion resistance	Protection requirements	Attack resistance
1	6	0	B	0	C	6	D

marketed under the name or trademark of the manufacturer:

GERDA Sp. z o. o.
05-806 KOMORÓW, Sokołów, ul. Sokołowska 49
and produced in the manufacturing facility
marked with the code: 19-486

This certificate confirms that all provisions resulting from the national system 1 concerning the assessment and verification of constancy of performance with respect to the performance of the product referred to in the abovementioned Polish Standard of Product are applied and that the manufacturer has implemented a factory production control system to ensure that these properties remain stable.

This certificate, issued for the first time on **18 February, 2026**, remains valid provided that the Polish Standard of Product, methods of assessment and verification of constancy of performance characteristics, the construction product itself and its manufacturing conditions will not change significantly and will not be suspended or revoked by the accredited product certification body.
Process identification number: 081/W/2024
